## Thanks to the host organisations of dAIEDGE

Who have supported the beneficiaries throughout the programme, providing mentoring, technical support and access to infrastructure and specialist knowledge.

# Successful 5th dAIEDGE General Assembly

## Where?

University of Glasgow, UK

## What?

Review of progress across all work packages since September.

## Focus highlight

Validation of **dAIEDGE-VLab**, our open-source platform for AI model evaluation at the edge.

Driving innovation in  
trustworthy Edge AI together.

**DATE Congress**  
Three contributions  
from our consortium

During the **DATE26 Congress**, we presented advances in hardware, algorithms and distributed AI at the network edge, and shared our work in a poster that boosted community interest.
